

Transportation

Eligibility

Transportation service is available for students who reside two miles or more from the school which they would normally attend. At this time, all elementary school attendance zones are inside of this two mile limit, hence district transportation of elementary students is not available. Exceptions are made for those Special Needs students whose need has been established by the Admission Review Dismissal (ARD) Committee. Any questions regarding eligibility should be directed to the CISD Student Transportation office at (817) 252-2053.

Bus Routes

Bus routes will begin approximately 1 hour before the beginning bell rings on the campus the student is attending. Bus route times and stops may be adjusted over the Labor Day Holiday. Morning and afternoon routes will be the same, the student will be dropped off only at the location where they are picked up. Students are required to ride the same bus route to and from school daily and may not change buses without permission from school administration.

Separate bus routes serve IMMS students and CHS students. IMMS students will not be allowed to ride the CHS bus, and CHS students will not be allowed to ride the IMMS bus. The bus stops and schools will be posted in the window of each bus. The student is responsible for walking to the bus stop nearest their home. Listed below are bus routes and stops by campus.

IMMS Route #1 Bus #45	IMMS Route #2 Bus #52	IMMS Route #3 Bus #53	IMMS Route #7 Bus #20	CHS Route #4 Bus #39	CHS Route #5 Bus #49	CHS Route #6 Bus #38
