

To all Castleberry Lion Parents/Guardians

The week of October 26-30 is the National Red Ribbon Campaign. The purpose of “Red Ribbon Week” is to motivate and encourage children to stay off drugs! We have some special days planned, and all students are invited to participate.

Monday, October 26 is “Stay in the Game and be Drug Free” Day. The children, faculty, and staff can wear **sport jerseys** to join our fight against drugs! Each student will receive a red ribbon to wear all week.

Tuesday, October 27 is “Red Day.”

The children, faculty, and staff may **dress in red** from head to toe. Red shirts, sweaters, pants socks, and shoes-Red! Red! Red!

Wednesday, October 28 is “Put a CAP on Drugs” Day.

The children, faculty, and staff can wear **any kind of crazy hat or baseball cap** to show their drug-free spirit.

Thursday, October 29 is “Too Smart to Start” Day.

The children, faculty, and staff can pledge to be drug free.

Friday, October 30 is “D.E.A.R.” Day.

Drop Everything And Read. There are better things to do than drugs. Children, faculty, and staff can dress up as a character from their favorite book. Children, faculty, and staff must bring their book with them.

Thank you for supporting Red Ribbon Week and keeping our children drug-free!!
