

RFP# 18-013 Special Education Consultants Services

Questions & Answers

1. If we do not have a local office or office in the state, will it prohibit us from being awarded? **No- but agencies located in Texas are preferred.**
2. How many FTE positions do you anticipate having for the 19/20 contract year? **It varies by need and area.**
3. What vendors are you currently working with? **There are too many to list. Some include Superior Pediatric and the others are independent contractors.**
4. Have they been able to meet your needs? **For the most part yes- the greatest area of need is for contract services of LSSP and a bilingual diagnostician.**
5. What bill rates are you accustomed to for these positions? **The rates vary based on credentials, experience and field. The average rate is \$60-\$90/hour.**
6. Are you looking for independent contractors to respond or will you also accept agencies? **We accept both.**
7. Are we able to submit rates for additional specialties we provide that are not requested in this RFP? (eg. pt, rn, lvn, bcba, para.) **Yes- we are looking for all domains related to Special Education including BCBA, LSSP, diagnostician, SLP, Adaptive PE, music therapy.**
