## Athletic Code of Conduct

### **STATEMENT OF PURPOSE**

Participation in athletics is an opportunity provided to students who demonstrate a commitment to the classroom. The decision to participate in athletics includes the responsibility of maintaining the high standard of values identified in the Athletic Code of Conduct. Misbehavior will not be tolerated. To be a successful participant in athletics, it is extremely important the student understand the conditions of participation before making the decision to enter the program.

### **ATHLETIC CODE OF CONDUCT**

...Violation of the *Athletic Code of Conduct* will be considered on an individual basis.

... You will be treated fairly.

... You are an athlete year round.

... Comply with school policy.

... Conduct yourself as a lady/gentleman at all times.

... Always tell the truth.

... Do not steal.

... Do not make excuses.

... Do your best in the classroom.

... Respect your teammates.

... Do not participate in other non-school related sports while your sport is in season.

For example: Volleyball players that are in-season may not play club or LYSA volleyball, but may play club or LYSA softball.

... Do not use tobacco, alcohol, drugs or any mood-altering chemical.

... If you have a concern, talk to your coach in private.

**Parents/Guardians – As with all programs at CISD, the coaching staff will always communicate with you and your child on ways of improving their fundamentals & skills, but the following will not be discussed:**

- **Playing Time**
- **Play Selection**
- **Personnel**

**Things that will not be tolerated:**

- 1. A parent coming into a locker room unannounced.**
- 2. I have a 24 hour wait time policy if you would like to discuss anything you are frustrated about during a game. I will not discuss anything with you until the next day, and playing time, play selection, and personnel will not be discussed.**
- 3. We will treat the referees, coaches, and other parents from visiting teams with respect. I will not tolerate heckling and jeering from parents. You will be asked to leave the stadium if it becomes an ongoing issue. The referees ultimately are the ones who decide a game for us, they will be the same refs a number of times, and other fans from other teams are getting a first impression of Castleberry High School and this community when they visit. Also we are putting forth an example for our kids.**
- 4. Players will never question a call from a referee, and they will not even speak to a referee unless they are called over by the ref. If they are called over to have a word with the ref, hands are always behind the back, yes sir, no sir. Players will not question calls.**

A participant school or member school district may give an award not to exceed \$70 in value to a student during that student's high school enrollment at the same school for participation in U.I.L. interschool competition. Each year a participant school or member school district may present additional awards, not to exceed \$20 each, for participation in each additional interschool organization.

The major award (\$70) presented to a student participating in the organization in grades 9-12 is a jacket with an attached 5" letter. This award will be presented to the student in the sport in which he/ she first earns a letter. An additional symbolic award will be presented to a student who earns an additional letter/ s. The additional award shall not be given to a student for an activity during the same school year that a major award is earned, if the total award exceeds \$70.

## GRADES 7-8

A participant school may not give and a student may not accept awards for participation in interschool competition in excess of \$8 per year (total for all U.I.L. activities). A student may accept a symbolic award in recognition of his / her achievement in an interschool contest if it is given by the organization conducting the contest (all tournament awards, ribbons, plaques, and medals).

Individual certificates of achievement will be presented to students in grades 7 and 8 for each sport in which the student participates and fulfills the Standard Requirements for Award Recipients as identified in this section.
